Dear Elizabeth:

I wish to extend my sincere appreciation for your assistance in obtaining information and providing witnesses relative to highway construction projects in progress during 1989 in Charleston County. A broad range of issues were examined, including contract activities, cost overruns, safety violations, substance abuse and workmanship quality. It is now a documented fact that millions of dollars in taxpayers' money has been wasted because of the aforementioned abuses.

Thanks for your civic-mindedness and please continue to keep a vigilant watch against corruption in the future.

Very truly yours,
